

2021 WSA JUNIOR TRAP PROGRAM
THURSDAY EVENINGS 6:00 PM - 8:00 PM
WSA TRAP CLUBHOUSE / TRAP FIELDS

The Woburn Sportsmen's Association invites all Junior shooters, 10 to 18 years of age, to join us to learn the fundamentals of Trap shooting, firearm safety, marksmanship, competition, and sportsmanship.

Junior trap shooting is an exciting way to build friendships, team leadership skills, maturity, concentration, hand-eye coordination and also have some fun in the process. We are looking for committed shooters who will be able to put the time in to perfect their skills and shoot at their competitive level.

No experience or equipment is necessary, everything is provided. Safety training is provided and constantly reinforced throughout the program. The NRA Basic Shotgun course will be part of the program and certificates and badges will be presented on successful completion.

Parents do not have to be members of WSA although they are welcome to join but are required to attend all shoots and practices. Shooters are required to join WSA as Junior members for a \$10.00 fee. Training will be provided by NRA/SCTP certified coaches using modern, 12 ga. shotguns. After your first lesson, you will shoot every night.

Registration will be held at the WSA Trap house on **Thursday April 29th, 2021** from **6:00 to 8:00 pm**. The program will meet for practice every Thursdays from 6:00 - 8:00 pm starting **May 6th and ending July 29th 2021**.

As part of the program, shooters will test their new-found skills against other junior shooters from surrounding clubs and at both the Mass State Trap Shoot in June and the New Hampshire Shoot in July both held at Minuteman in Burlington MA. Additional information to follow.

Adult volunteers are always appreciated and have helped make the program a success.

The total cost of the season will be approximately \$250.00.
